

Art Nouveau Radiator 580mm | 750mm

The popular decorative Art Nouveau Cast Iron Radiators are available in two complimentary heights.

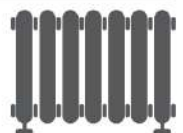

The smaller version is 580mm or 23 inches high and the taller version is 750mm or 30 inches high.

These beautiful cast iron radiators are styled on Art Nouveau period designs from around 1890–1910. A slender cast iron radiator with an intricate scrolling pattern that adds a touch of grandeur to a classic radiator design.

One of the slimmest radiators in our collection, it is perfect for narrower spaces.
