

# Sovereign Baroque Radiator 660mm

Sovereign Baroque Cast Iron Radiators 660mm are a French adaptation of the Rococo range of decorative cast iron radiators popularised in the late Victorian period. These traditional cast iron radiators have a great heat output and a stylish traditional appearance.

Sovereign Cast Iron Radiators are cast in Europe using traditional techniques and the same moulds that have been in use for generations. With paper gaskets and European levels of casting tolerance, this range of cast iron radiators are simply the best available in the UK today.
